

SOLOD SERHII

COMMERCIAL PHOTOGRAPHER

Work experience

Content-manager/Photographer/Retoucher/Head of the photo department

Makeup.ua, Panama.ua, Shopster.ua - **2012-2022**

I started my path as a content manager and finished as the head of photo department. You can ask me what my main achievement? I built work chains from scratch, introduced and provided piecework wages.

- employee training
- control and calculate the amount of work done.
- management decision making
- photographing/retouching/working with 1c

Content-manager/Photographer/Retoucher/Designer assistant

Armorstandart, Megabite - **2012-2022**

I'm in charge for the retail website's content.

- work with content (creation of text and graphic content)
- commercial photography
- working with banners and mockups
- work with Excel (interaction with data between sites occurs by using Excel and formulas)

About

Creative and results-oriented specialist in commercial photography. I have well-developed subject photography skills (I worked as a subject photographer/retoucher for about 10 years.). Link to [portfolio](#).
